

What does EFEC stand for?

ENHANCING
FURNITURE'S
ENVIRONMENTAL
CULTURE

Flexsteel EFEC Mission Statement:

To Implement an environmental management system (EMS) within the Flexsteel Starkville Commercial Seating Division that seeks to **enhance** the **Furniture Environmental Culture** by **communicating** with Flexsteel Associates, the Surrounding Community, Suppliers and Regulatory Agencies in which we will **Identify, Measure** and **Audit** Environmental Issues relating to Materials, Manufacturing, Emissions, and Waste to achieve Sustainable Continuous Improvement in Environmental Performance while gaining Improved Operational Performance and Efficiency.
