Mississippi Automotive Supply Chain

- What does a typical supply chain process look like...
 - ... at a transplant's assembly operation?
- What are the advantages and disadvantages of this process?
 - ... Is it the most competitive?
- What is the Localization Strategy...
 - ... Why is it important in MS and in the Southern Automotive Region?
(3 boxes or 3 semi's to sort?)
- Why is JIT and not JIC so important...
 - ... for the future competitiveness of the Southern Region?

Factory of the Future

What does it look like?

- Fanuc Robotics - Machines building machines
- Local Motors - 3-D printing and one-hour cars
- Ordering - Vending machine-like approach
